We, the students, would like to express our appreciation to you, Mr. Harrison, for your devoted work on our school year book, the Wizard.

We are deeply indebted to you and have come to realize that no one could ever take your place and work with such sincerity and perseverance. We truly appreciate the fact that much of your time has been spent working diligently to produce interesting material for our Wizard. We realize that this cannot possibly express our deepest feelings, but we hope that you will accept it as a small token of our gratitude.
